### Future of Ambulance Service in Doubt

B.E.A.R.S. Director Florence Merrill announced after a directors meeting Sunday evening, Oct. 16, that eight of 18 members were retiring effective about Dec. 31 and that the future of emergency medical and ambulance service in Bethel might be in doubt. "Service depends on volunteers to operate the ambulance and render emergency first aid assistance," said Ms. Merrill, "and our recent membership drives have not turned up enough volunteers to offset the losses." At least 15 trained volunteers are needed to carry out round-the-clock service; 20 trained people would add ease of and flexibility of response, according to Ms. Merrill. "Volunteers are the backbone of our service and without them ambulance service might have to be discontinued or changed drastically," she said. The Emergency Ambulance Service, managed by B.E.A.R.S. (Bethel Emergency Ambulance & Rescue Service) volunteers, became a department of the Town in March 1983. A delegation of B.E.A.R.S. will meet with the Board of Selectmen on Nov. 7 to discuss the situation.

A conflict in schedules has caused the Budget Committee meeting, originally scheduled for tonight (Oct. 20), to be re-scheduled for 7 p. m., Thursday, Oct. 27, in the Town Office Meeting Room. The agenda will center on examining expenditures of public/subscriber funds if voters approve the Tuesday, Nov. 8, referendum item for the Town of Bethel to acquire the Water District and assume existing loans, debts, and assets.

### Board of Selectmen Meet

In regular session Monday evening, Oct. 17, in the Town Office Meeting Room, the Board of Selectmen met to make preparations for the Nov. 1 Special Town Meeting on whether to change the municipal fiscal year and add semi-annual tax billing and the Nov. 8 referendum on whether to acquire the Bethel Water District and the Oct. 18 public information meeting in the Fire Station on the same subjects. The Board established 7 p. m. at Telstar Lecture Hall for the Tuesday, Nov. 1 Special Town Meeting, and Bethel Fire Station for the Nov. 8 referendum. Polling hours at the Fire Station on Nov. 8 will be between 10 a. m. and 8 p. m. Voting on the Water District question is to be held concurrently with balloting to fill the District 63 State House of Representatives vacancy and eight State referendum issues.

In other business, the Board adopted new General Assistance Rules and Regulations and renewed a liquor license application from David Thurston d/b/a The Sudbury Inn after public hearings on each item. Following discussion with three members of the Planning Board, the Selectmen acted to have the Town retain an attorney of record to assist the Planning Board with the Opera House Condominium subdivision proposal.

## TELSTAR DRAMATISTS READYING PRODUCTION OF "A CHRISTMAS CAROL"

The Telstar Drama Department has been very busy these last few weeks, getting organized for the year and preparing for its first production for this year's theatre season. Drama members are in the process of putting together Isaac Horowitz's adaptation of "A Christmas Carol: Scrooge and Marley," under the direction of Mrs. Gemma Morrill-Dreher. Musical accompaniment and sound effects will be provided by the Telstar High School chorus, directed by Jerry Hefley. This will be the largest theatrical production put on by the High School Drama students in the last three years. Posters will be out at the end of October. Watch the papers for further details. This week end students will be out trying to raise money for drama production costs such as royalty fees, printing fees for programs, tickets, and posters. Also they need to refurbish the stage make-up supply for the year, and to raise funds for the special effects costs for this production. Drama members will be accepting donations and selling ad space in the "Christmas Carol" program. If checks are made out for ad space or a donation, please make them out to: Telstar High School Drama Department. For more information call the High School at 824-2136 and ask for Mrs. Dreher.

Hearty thanks are owed to Mrs. Frances Doucette who has donated a large collection of 30's and 40's clothing to the High School Drama department, and also to Mr. and Mrs. John Woodbury who have loaned props for "A Christmas Carol".

## PLANS FINALIZING FOR BETHEL OUTING CLUB'S SKI EQUIPMENT SALE

Plans are well underway for the Bethel Outing Club's 3rd Annual Ski Equipment Sale, scheduled for the Telstar Gymnasium, Oct. 28-29. The annual sale has become quite a success as the club's major fundraiser, the result of good planning, help from the many volunteers, and the participation of many area shops. Presently, shops from as far away as Farmington and Brunswick have committed about 40% more equipment than last year.

A final organizational meeting will be held early next week. Anyone who would like to be a volunteer helper in this project is encouraged to call 824-3343 for more information.

The next performance in Gould Academy's year-long programs in the Arts and Humanities will be Richard Harlshorne's "Comedy Double Bass Review," Thursday, Oct. 27, at 7:30 p. m., in the William Bingham Hall Auditorium.

Not since P.D.Q. Bach has the world of serious music brought forth so much laughter. Before it's over, Richard Harlshorne is wearing the only straight face in the house.

## TELSTAR SOCCER TEAM CLINCHES PLAYOFF SPOT

The Telstar varsity soccer team finished the regular season with an 8-3-3 record by going unbeaten in its last four games to clinch a spot in the Western Maine Class C playoffs beginning Saturday, Oct. 22. The final two games of the regular season proved to be tough ones as the Rebels played Fryeburg to a 0-0 tie on Wed., Oct. 12, and defeated Mt. Abram 2-1 at home on Friday, Oct. 14.

At Fryeburg both teams battled up and down the field through four quarters and two overtime periods in a very fast-paced game but the tough defense and outstanding goalkeeping provided by both teams proved to be the deciding factor.

In the Mt. Abram game the visiting Roadrunners got on the scoreboard first as striker Don Spiney was left unmarked in front of the Telstar net at 10:20 of the first quarter. The Rebel defense tightened and the offense began to roll as the ball spent a great deal of time in and around the Mt. Abram penalty area and the score was tied at 17:39 of the same period as Brian Whitman netted his tenth goal of the season from a Chuck Haines assist.

The score remained 1-1 at half time but at 15:55 of the third period Josh Putnam scored the 14th goal of his career, deflecting the ball off the Mt. Abram goalie for the winning goal. He was assisted on the play by senior Bob Myers.

Many good shots were levied at both nets but outstanding saves by Telstar goalie Scott Tabb and Mt. Abram goalies Shane Morgan and Brent Deming kept scoring low. Telstar sweeper Ken Whitney was also cited for several goal-saving tackles and outstanding team play was provided by the rest of the Rebel players.

## Greenwood City

— Mrs. Callista Morgan, Corres. —

Again it's mid October, and I climbed the hills of the farm fields, alone, to view the valley. I shall forever remember the image, the vision that never dies and the words of Stanley Foss Bartlett: "There's a whisper in the woodland."

There's a murmur in the brake, There's a scarlet gypsy maple Dancing by the mirror lake."

On my way up the road all the cattle came to surround me, friendly and blending with the great silence and the beauty of the land. I studied the water transformed into a brilliant crystalline boulevard stretching to infinity. The mountain air gave a refreshing feeling. I crossed over the fence and across another field to rest on a huge rock beneath two ancient yellow birches. Sitting here I saw leaves drift with the current and the movement of a canoe like a reed in the wind. Silence was a part of the scene and many memories. I like the reflections and away sunlight and shadows hit the water. I wished I could catch and describe to you the reflections, the coloring, the sounds, and the silences which were within me.

Leaving here I walked to the line wall, so well remembered, crossed it and took a wood road into the forest. Moose tracks were in many places.

At my left I took a broad trail of yellow that ran out into the darkness, which fascinated me.

Through there were lovely ferns and mosses everywhere.

The farm brook was trickling over its stony bed, while here and there tiny pools winked.

Tall spruces were black against the sky mixed with other trees tinged in yellow and gold.

A big fir had fallen and shattered itself.

Here I sat on a little shelf of rock and watched the light tracery change from yellow to coppery gold.

Beyond on a barren ridge, a small clump of oak, leaves dark and shining mahogany, a triumphant banner whipped my many storms. The little clump had been beaten into a shape that seemed to embrace the knob of granite on which it grew.

Nearing the fields again I looked at a grove of warm and friendly aspen trees. How lovely they were standing in a sense of gentleness; leaves masses of old gold, mirrored in a sea of blue.

Once again I stopped as I descended the hill to absorb the reds, yellows, and golds, moving slowly, shifting positions with ever changing, kaleidoscope of pattern and light.

On every side trees billowed out, fat and heavy, spruces, looking like huge giants. Hills ringed the valley, rolling away from it into a blue haze of higher peaks. It

— Mrs. Ralph Kimball, Corres. —

The deepest sympathy of this neighborhood is extended to the family of Lizzie Wheeler on the death of another dear relative and friend, Elizabeth passed away late Sunday evening at the Stephens Memorial Hospital.

A large bull moose was seen here Saturday morning, swimming down this side of the pond. In front of the house he waded ashore, took his bearings, and then ambled across the highway and off up into the woods.

Mrs. Gladys Grenier returned to her home Sunday from the Stephens Memorial Hospital.

Bill Bancroft was in Portland recently for a medical check up. The Bancrofts enjoyed supper with a group of friends Saturday evening at a friends' camp in Sweden. Recent visitors of Phyllis and Bill were her mother, Grace Morrill, Mr. and Mrs. Laurice Millett of Waterville, Mr. and Mrs. Paul Halle and children of Lisbon Falls. The Halles' with her folks enjoyed a visit to Santa's Village while here.

Mr. and Mrs. Fred Awak of Auburn were callers last Friday of the Jesse Doyens. Happy Anniversary, Jesse and Myra! 52, I believe.

On Friday, Mrs. Christine Kimball met two cousins, Mario Leeds of North Yarmouth and Hazel Woodside of Waltham, Mass. They enjoyed lunch at a Norway restaurant. Christine also called on Mrs. Susie Grant at the Andrews nursing home who was observing her 99th birthday.

Mr. and Mrs. Don Pepin and Samantha of South Portland were Saturday supper guests of the Jimmy Kimballs. Sunday supper guests were Mr. and Mrs. Ronald Burgess of Greene and his mother, Mrs. Iva Burgess of Monmouth. Mary Doon was an evening caller.

Mr. and Mrs. Lawrence Kimball with Mr. and Mrs. Arthur Kimball of South Paris, enjoyed Sunday dinner at a Lewiston restaurant in observance of their wedding anniversaries.

"Each day is a promise of new joys to gain. If we look for the rainbow instead of the rain."

was so quiet, open, and free-like being out of prison.

Moving down toward the Bulldozer Road, the sun was dropping lower in the sky.

I was leaving this expanse of beauty with mixed emotions of other times, hikes and memories.

I reached home drugged by the beauty and fresh air. Going inside I found myself suddenly tired.

The evening cool, came down like a mist, and when the sun was nearly gone, leaving stains of its going in purples, pinks, and scarlets; it gave way to the spectacle of a soft and golden evening.

It was the gentlest time of day. "The flame and the purple of sunset, the soul of the western skies."

For five days I had had the shingles, so I have no other thoughts this morning.

Special music at the church Sunday included a solo by Rhonda Shaw and a selection by Alvin Turbine accompanied by electric guitar and organ.

A slip of the tongue on a tag sale radio program made an offering of a "freezer-type chest". Although we've had a very warm autumn, some chill winds and falling leaves remind us of the possibility of freezer-type chests in the near future.

A moose was seen by several neighbors in town Saturday. Poor thing it probably was looking for water. Am so glad that not anyone in town had the right to shoot it.

Mrs. Gladys Plummer and Mrs. Helen Jewell went for a foliage ride through the Lovells and Fryeburg Friday.

Mrs. Helen Grover and Gladys Knight attended the retired teachers meeting at South Paris, Thursday.

Mrs. Ethel Files was taken to see her doctor Wednesday. At this writing she is some better.

Mr. and Mrs. Stanwood Nelson went to Sweden Saturday and gathered up their plants that were in the cemetery.

A beautiful Collie dog was run

over and killed Wednesday. Too bad people are in such a hurry.

## NEWS FROM POOH CORNER

Monday the nursery school children picked apples at an orchard in West Paris. Each child had a bag to share with all of the family. They also had lunch at a restaurant in South Paris and enjoyed the slide and merry-go-round in the playground.

At school they are busy getting ready for Halloween. They have made scary ghosts, spooky bats and jack-o-lanterns. They are singing many Halloween songs and sharing ideas about costumes. They were excited to find new fluorescent crayons and finger

paint at school this week. Everyone enjoys art activities. During individualized time, the children are working on categorization, visual perception, naming colors and recognizing numbers.

The cooks are busy this week using up apples in apple muffins, apple crisp and baked apples.

Pooh Corner will be closing after their festive Christmas party in December, due to a family move. All the Bethel friends will be missed very much. If there is an individual with early childhood training who would be interested in continuing a program, please call 824-3264.

## Letters to the Editor

Newry, Maine  
Oct. 10, 1983

To the Editor:

On Nov. 8, the voters in Legislative District #63 will go to the polls to vote on Bond Issues, Moose Hunting and to elect a Representative to the Legislature to replace Karen L. Brown, who recently resigned to accept a position in private industry.

I would like to take this opportunity to ask your support for Barbara D. Brown in her bid for the House Seat left vacant by her daughter's resignation. I have known Barbara for some time and I feel sure that she would make an excellent Legislator. A resident of Bethel for over 30 years, she has been very active in politics, and has taken a keen interest in Local and State Government.

Through Karen's seven years in the Legislature, Barbara has kept especially close to what the Legislature has been doing, and what must be done. This, together with her husband, Mike's tenure as a Bethel Selectman, has given her an additional interest in, and knowledge of, Local and State affairs.

Barbara's part in politics, as well as her job in the Casco Bank, has kept her in touch with many of the citizens of District #63 and made her aware of their problems and needs.

I am sure that if you give Barbara your support in her bid for a seat in the Legislature, you will not find it misplaced, and that she will do an excellent job representing her District if she is elected. Your support and vote will be greatly appreciated.

Sincerely,

Roger E. Hanscom  
Selectman, Newry

Dear Editor,

I have known Barbara D. Brown for many years and am convinced that she would be a very able representative for the people of this area. She has been very active in community affairs and has proven that she is dedicated to working hard through long years of service to many organizations. Barbara knows the people of the District and their problems on a first hand basis through her job and long involvement in politics. I believe she is a sensitive and knowledgeable candidate and hope voters will elect her on Nov. 8.

Sincerely,

Louise Lincoln  
Former Legislator

To the Editor:  
I'm writing to answer a question I have encountered several times during the past two weeks of campaigning for election as State Representative from District 63, and to clear up any confusion over the nature of the Special Election set for Nov. 8.

This election, necessitated by the resignation of our former representative, is a General Election, in which voters, whether Democrat, Republican, or Independent, may vote for the candidate they feel is best qualified to serve. The primary election process, in this case, has been eliminated, with the nominees chosen at party caucuses held two weeks ago.

To the residents of District 63 that I have met in the past few weeks—thank you for your warm welcomes, and to those of you I have yet to meet, I'm looking forward to visiting with you.

Sincerely,  
Jeff Mills,  
Candidate for State Rep.  
District 63

To the Editor:  
I am writing to express my unqualified support for Jeff Mills in his election as State Representative in District 63. I am convinced that we, in District 63, have the opportunity to elect an energetic and highly qualified representative to serve us in August.

Jeff Mills is a proven leader. He was elected as Student Government president at the University of Maine at Orono, after campaigning among the 10,000 member student body. In this capacity he was responsible for the management of a \$1,000,000 budget and directed a staff of 35 employees.

Jeff Mills has tremendous initiative and drive. His Magic Shows, well-known to our area and to the State of Maine, brought him the opportunity to earn money during his college years, and the enjoyment brought to many people, earned him the Governor's Award for outstanding service to the state.

His recent internship in Washington and work for the Secretary of State in Augusta, have given Jeff experience in the practical working of government, and his exceptional performance on the job, has brought praise from his employers.

I urge all voters to join me in supporting Jeff Mills for State Representative on Nov. 8.

Sincerely yours,  
Urban C. Bartlett Jr.

To the Editor:  
Coaches always take an interest in their players long after the season has come to an end, believing that lessons learned on the field carry over into later life.

Jeff Mills played American Legion baseball for me several years ago. He was, and is, a team player, who puts much energy and thought into whatever he undertakes.

I have also played against Jeff in summer softball, and know him to be a good sport and a gentleman, who is respected both by teammates and those on opposing sides.

I hope that the citizens of District 63 will get out to vote on Nov. 8 in the Special Election, and elect Jeff Mills as our State Representative. Our "home team"—District 63—has a chance to put a real ace to work for us!

## FORESTDALE SCHOOL TO MAKE ANNUAL APPEAL FOR CANNED GOODS

The students of Forestdale Church School, South Woodstock, will be making their annual appeal for canned goods, in lieu of trick or treating for themselves. They will be going out in South Paris, Bryant Pond, Locke Mills, North Paris, Bethel and Sumner on Wednesday, Oct. 26, and Thursday, Oct. 27, from 2-5 p. m. to collect these articles to be packed in Thanksgiving and Christmas baskets, in order that the less fortunate may have a bountiful holiday meal.

## TELSTAR BANQUET FUND RAISER ANNOUNCED

The class of 1984, Telstar Regional High School, is planning ahead. Class officers have organized a household products party to raise funds for their Senior Banquet in June. Reserve Oct. 25 at 7:00 to assist in this project.

If you've already made plans for that evening, you'll have the opportunity to order from a Senior class member the week of Oct. 17-25. "Ghost orders" will be taken at that time, and the Senior selling the most products (orders) will receive the "Yearbook 84" as a gift. Second top seller will receive a gift from the distributor.

RECEIVES NEW BIKE—Brent Bachelder of Newry was recently the recipient of a new 10-speed bicycle, compliments of General Foods Corporation. Any folklore related to predicting the winter weather is encouraged and anyone with a wooly bear caterpillar is encouraged to attend and participate in the races.

## NEWS FROM ADULT AND COMMUNITY EDUCATION

The S.A.D. 44 Adult and Community Education program courses are at mid-point in the fall term, looking ahead to the end-of-term Learning Fair to be held at Telstar on Wednesday, Dec. 7. Many classes are planning demonstrations of skills learned and displays of articles made. Community groups, such as the B.E.A.R.S., Extension Service, and CADET, are being invited to participate in the Fair again this year. Any group interested should contact the Adult and Community Education office, 824-2136.

Tony Pugliese, a student in Sally Downing's Chair Caning class, has spent time creatively over the first few weeks of the course. He has not only worked on his chair, but has invented several aids to use in the process, including a device to wind loops of cane in preparation for soaking, and a carry-all for organizing all his supplies.

Tony, who is retired, lives with his wife, Ellie, on the Bog Road in Gilead. Both Puglieses have taken courses in the past through the Adult and Community Education program in subjects ranging from Woodworking to Personal Computers.

A reminder concerning the Literacy Volunteer training course to be offered at Telstar starting on Monday, Oct. 24, in the evenings. Anyone who is interested in serving the community as a Literacy Volunteer should call the Adult and Community Education office as soon as possible. Current active volunteers are Frank Vogt, Tootie Holt, and Judy Haskell, with Adult Education, and Emily Saunders at Telstar Regional High School.

**Rotary Club News**

The Bethel Rotary Club held its regular luncheon meeting on Oct. 18 at the Sudbury Inn. The program chairman, Jim Monahan, introduced Dwayne Craig, S.A.D. 44 Superintendent, to the members present. Mr. Craig spoke on education, the changes and the philosophy involved. The Carnegie Report was encapsulated to emphasize the whole family concept and basic needs for students in learning. Many thought provoking questions were asked by members and answered by Dwayne.

Mr. Craig's presentation was thoroughly enjoyed by all. He was asked to join with the Club again in the near future.

The past week end was a busy one with the well attended dance at the Locke Mills Legion Hall and the Recognition Day outing for the wives and children of Rotarians held at Bob Chadbourne's cottage on South Pond. The weather was clear and cool on Sunday and everyone appeared to enjoy the festivities. The local populace who attended the Fall dance is thanked for their support of this fund raising activity. The Club will plan to sponsor another dance with excellent music in the near future.

Rotarian guests joining with the group on Tuesday were Marc Parkard and Tim Thompson, guests of Lennie Shaw, and Bill Lowther from Boonton, N. J. Most of the Florida residing summer guests have departed for warmer weather. Ed Quinn has joined the group. Have a good winter.

Many truck loads of apples go by every day and some of the people work at Cooper's until 9 p. m. This is apple country.

One day last week Joe Vatcher peeled onions to can 21 pints and did the house and porch smell terrible! Last year we lost a lot due to rot. Still have one bushel left to can or freeze.

The trees are fast losing their pretty dresses and some are bare already. Makes one think of what may be in store for us and sooner than we think for.

Mr. and Mrs. Jock Newmeyer are clearing some of their property across the road from Vatcher's. It will be a help for the road crew when they start the work on the road next spring.

Fourth graders from Woodstock are also involved in the program, but did not participate in this game. Andover scored first in the contest on a goal by Amy Thurston, with an assist by Teague Berry. Woodstock struck next tying the game on a goal by Quentin Breton. Andover bounced back on a goal by David Foster. Woodstock changed back to tie the score again on a goal by Quentin Breton. The last goal of the game was a dramatic penalty-kick by Brian Chase to put Andover into the lead for good. Both schools showed strong use of basic skills and the goal tending by Nathan Miserocchi and Teague Berry of the Andover team, are worthy of praise. For Woodstock, Quentin Breton sparked on offense, scoring both goals, and Jeff Jewell was outstanding at the fullback position.

These two teams will meet again on Oct. 25 at Telstar Regional High School, where the Telstar Middle School team, Andover, and Woodstock will compete in a round robin.

Youth Fellowship of the West Parish Congregational Church will be calling on area residents on Wednesday evening, Oct. 26, from 5:30 to 7, asking for donations to UNICEF.
